There is **no vocational placement** required for this qualification.

6. Licensing & Regulatory Information (AMSA)

Completion of MAR10224 provides the **required training component** for individuals seeking AMSA recognition as a **General Purpose Hand (GPH)**.

Additional AMSA requirements (separate to this qualification) include:

- You must be 16 years old on the certificate issue date
- Sea service (5 days of sea service on commercial vessels of any size.)
- AMSA medical assessment – AMSA form 1850 (or a current AMSA form 303)
- Completion of AMPA (if required)
- Application to AMSA with verified sea service

Training & Personnel Australia provides guidance on licensing pathways but **does not issue AMSA Certificates of Competency**. All licensing decisions are made by AMSA.

7. Student Support Services

We provide accessible support to help every learner succeed, including:

- LLND (Language, Literacy, Numeracy & Digital) support
- One-on-one trainer support
- Reasonable adjustments
- Access to learning resources

8. Funding Entitlement – Career Start Program (General Pathway)

This qualification is subsidised by the Queensland Government under the **Career Start Program**. Eligible students may access **one subsidised general qualification** as part of their Career Start entitlement. Under the Career Start Program, students may access **up to two subsidised training places** in total.

These may include:

General Pathway Entitlement

- Students may complete **one general qualification** (such as MAR10224) under Career Start.
- Once a student uses this general qualification entitlement, they **cannot** enrol in another subsidised general qualification under Career Start.

Apprenticeship/Traineeship Interaction

- Students may also complete **one apprenticeship/traineeship** (Certificate II or III) within their Career Start entitlement.
- However, if a student undertakes an apprenticeship or traineeship **first**, they **cannot later access** a subsidised general qualification under Career Start.
- Completing the general qualification first still allows the student to access one apprenticeship/traineeship (subject to eligibility).

One Subsidised Place Rule

Students will not be subsidised for:

- repeating a qualification, or
- enrolling in more than one general qualification under Career Start.

Foundation skills training and qualifications completed while at school **do not** affect Career Start eligibility. Enrolling in this course will use the student's **general pathway subsidy** under the Career Start Program.
