

## SKILL SET FACT SHEET

### MARSS00008 — Shipboard Safety Skill Set

**Funding Program:** Career Boost – General Pathway

**RTO:** Training & Personnel Australia (RTO 41096)

**Legal Entity:** Ashton Lee Pty Ltd as trustee for the Ashton Lee Family Trust

**Delivery Region:** Townsville Region, Cairns Region, Cape York, Torres Strait Islands

**Acknowledgement:** *Training is proudly funded by the Queensland Government under the Career Boost Program.*

#### 1. About This Skill Set

MARSS00008 provides essential safety skills required for working safely on board commercial vessels. It covers emergency response, firefighting procedures, survival techniques, and work health and safety obligations in the maritime environment.

Completion of this skill set contributes to the **safety training requirements for various maritime roles** but **does not result in the issue of an AMSA Certificate of Competency**.

This skill set is delivered under the **Career Boost Program (General Pathway)**, meaning eligible students may access one subsidised maritime safety skill set as part of their Career Boost entitlement.

#### 2. Total Costs (Co-Contribution Fees)

- **Non-concessional fee: \$100**
- **Concessional fee: \$50**

##### How fees are charged:

- Maximum **30% upfront**
- Remainder payable **by the final day of training**

Fees represent the total cost to the student. Training & Personnel Australia does not charge additional materials fees or any fees for developing Training Plans or Training Records.

*This course cannot be offered as fee-free under the Career Boost Program.*

### 3. Delivery Information

**Delivery mode:**

- Blended

**Locations:**

- Townsville Region
- Cairns Region
- Cape York
- Torres Strait Islands

**Duration:**

- **2 Days** full-time

**Assessment Methods May Include:**

- Practical demonstrations
- Emergency response tasks
- Firefighting drills
- Survival equipment exercises
- Short written or verbal assessments

### 4. Units in This Qualification

The MARSS00008 Shipboard Safety Skill Set consists of 4 core units:

1. MARF028 – Follow procedures to minimise and fight fires on board a vessel
2. MARF029 – Meet work health and safety requirements
3. MARF030 – Survive at sea using survival craft
4. MARF060 – Apply basic survival skills in the event of vessel abandonment

### 5. Requirements for Successful Completion

Students must successfully complete all 4 units of competency and participate in all required practical training activities conducted during the course.

There is **no vocational placement** required for this qualification.

### 6. Student Support Services

We provide accessible support to help every learner succeed, including:

- LLND (Language, Literacy, Numeracy & Digital) support
- One-on-one trainer support
- Reasonable adjustments
- Access to learning resources

## 7. Funding Entitlement – Career Boost Program (General Pathway)

This skill set is subsidised by the Queensland Government under the **Career Boost Program**.

Under Career Boost, eligible students may access:

- **One subsidised general-pathway qualification**, and
- **Up to two subsidised skill sets**

Students must pay a co-contribution fee.

Students will not be subsidised for:

- repeating the skill set, or
- enrolling in more than two subsidised skill sets under Career Boost.

Foundation skills training and training completed while at school do **not** affect Career Boost eligibility. Enrolling in this skill set will use one of the student's **skill set entitlements** under the Career Boost Program.
